1. Telephoned Paul Deac of the National Confederation of American Ethnic Groups, and in accordance with [redacted] of 30 April informed him that at the present time we saw no basis for cooperative efforts. He indicated he would still furnish us with additional material. He was advised that if he had anything specific we would be glad to listen.

2. Colonel George H. Rochman, Department of the Army IG, called to inquire if the Agency had any objection to his talking with [redacted]. He indicated that the IG was attempting to establish all the facts in the [redacted] insofar as the Army was concerned. He further indicated he was going to Europe in the near future and might want to talk to [redacted] there. He was informed that we had no objection but would be much interested in the results of their investigation. He offered to make it available to us. [redacted] has been informed.

3. Contacted Mr. Loweth in the Bureau of the Budget in connection with the preparation of our proposed comment on H. R. 11985, a bill to establish within the National Science Foundation a National Science and Technology Information Service. (See Memorandum for the Record for further details.)
